2024 Exhibitor Terms and Conditions

The following terms and conditions form part of the contract (the “Agreement”) pursuant to which the International Pressure Equipment Integrity Association (“IPEIA”) has agreed to provide booth space to the exhibitor, referred to on the IPEIA website on-line registration system. These terms and conditions are based on IPEIA’s Protocols.

Renewals

Priority is being given to all exhibitors who had renewed their booths at the end of the 2023 conference & exhibition as described in the IPEIA Protocols.

Booth Rental

IPEIA strategically predetermined the number of single, double and triple booths that would be made available at its annual conference. Historically there have been more exhibitors than available spaces. We are also cognizant that without delegates, there will be no exhibition. Delegates tell IPEIA that they want to see the innovative solutions and new technologies that exhibitors have to present. They also want to see which new companies are entering the market. To ensure the conference meets delegate demands we are maintaining a ratio of single to larger booths. This balanced policy is intended to keep delegates engaged and ensure they attend the exhibition each year. Delegates are the heart of the conference and there would be no exhibition without their support.

Policy Clarification for Renewals and FRoR

Past Exhibitors are eligible to renew and secure their booth for the next conference or they can wait for First Right of Refusal to purchase their booth for the next A describe in the Protocols.

Note: past Exhibitors are not guaranteed a booth during FRoR as this opportunity is also available to all past IPEIA Sponsors.

Companies are only eligible to purchase one booth (it may be a single, double or a triple) but ONLY ONE BOOTH per company. This maintains the integrity of IPEIA’s strategy to have as many different exhibitors as possible for our delegates’ experience.

Booths cannot be resold by exhibitors.

Cancellation and Performance

Neither party shall be liable for any damages sustained from delay or non-performance of this Agreement due to events beyond its reasonable control, including without limitation strikes or other labour disputes, acts of God, weather, earthquakes, fires, floods, war, riots, terrorism, border closures, civil disorder, power failure or government Acts. If an exhibition is interrupted, prevented or cancelled for any such reason, the Client will reimburse IPEIA’s Show Services provider, or other exhibition service provider contracted by IPEIA for expenses incurred providing services or equipment up to the date of this occurrence.

Please note once payment has been processed for booth purchase, refunds will not be issued in the case of cancellation.
